

Common Traffic Ticket Questions:

Q: What do I need to know about paying the fine for a traffic citation?

A: You should realize that **paying the fine** is often just the beginning of the iceberg in North Carolina. Moving violations can result in substantial increases in insurance premiums and, possibly, the suspension of driving privileges.

Q: A highway patrolman stopped me for speeding. What should I do?

A: First and foremost, cooperate with the officer. An argument will accomplish nothing. If it's a serious offense (i.e., one that will result in insurance points), let your attorney present your case for you.

Q: I was recently involved in a minor traffic accident for which I was declared at fault. What should I do?

A: Be sure that the police have filed a report of the accident which shows as many details as possible. Inform your insurance company and discuss the issue with your attorney.
